**SUBMISSION OF CERTIFICATION CERTIFICATE FOR TAIWAN PATENT No. 145071**  
**35 U.S.C. 119(b)(3)**

Applicant submits a certification Certificate for Taiwan Patent No. 145071 (Taiwan Application No. 89109172) as required under 35 U.S.C. §119(b)(3) from the Chinese Patent Office. The Applicant claimed priority to this Taiwan patent in the present application. The Applicant requested a translated copy of the whole issued patent including translation of the Chinese language words to English language words. However, the Applicant was informed by the Chinese Patent Office that it does not issue such translation documents and the attached Certificate is the only official document issued.

Respectfully submitted,
